

# Community Rules

Please take a moment to familiarize yourself with our rules before joining! **If you can only see this and the #staging channels, you need to sign up! Tag @ Staff and give us a bit to respond!**

## Rules

1. **Discord membership required** to play!

You must be a member of our Discord server to engage in games.

1. 2
2. 3
3. 4
4. 5
5. 6
6. 7
7. 8
8. 9

- **18+ required.** Only individuals who are 18 years of age or older are allowed to participate in our community.

- - **Don't be an ass.** We are here to have fun after all! Along those lines: - **Hate speech is strictly prohibited.** Any form of hate speech will not be tolerated within our community. - **No spam.** This includes both microphone and chat spam. Links are permitted, but advertisements are not. - **No NSFL/gore or offensive imagery.** Posting graphic or offensive imagery is strictly forbidden. - **No griefing.** No exceptions. We are PvE ONLY! This means no interfering with other players in negative ways. - **Cheats are not allowed in game.** This includes the use of bugs/exploits. Please bring them to the administration's attention by creating a thread in #help\_me so we can address the issue. - **Do not post illegal information in any shape or form.** This includes, but is not limited to, leaked intelligence and state secrets.

## In-game Rules

- **Intentional destruction of containers in important loot areas may be treated as griefing.**

This includes military bases, pawn stores, police stations, etc.

- **If you find a game-breaking exploit, please let us know.**

If you are the recipient of bugged items, create a thread in #help\_me so an admin can assist you.

- **Please keep your voice chat concise!**

It can be challenging to hear over one another in populated channels.

- **No political nonsense.**

Keep the conversation away from politics.

- **Before repeating common questions, check out FAQs and Common Controls on our Wiki:**

[FAQ and Common Controls](#)

- **Limit server and mod suggestions to #[mod\\_suggestions](#) only.**

To keep discussions organized, please post any server or mod suggestions in the designated channel.
