

Community Rules

Please take a moment to familiarize yourself with our rules before joining! **If you can only see this and the #staging channels, you need to sign up! Tag @Staff and give us a bit to respond!**

Rules

- 1. Discord membership required to play!**
You must be a member of our Discord server to engage in games.
- 2. 18+ required.**
Only individuals who are 18 years of age or older are allowed to participate in our community.
- 3. Don't be an ass.**
We are here to have fun after all! Along those lines:
- 4. Hate speech is strictly prohibited.**
Any form of hate speech will not be tolerated within our community.
- 5. No NSFL/gore or offensive imagery.**
Posting graphic or offensive imagery is strictly forbidden.
- 6. No spam.**
This includes both microphone and chat spam. Links are permitted, but advertisements are not.
- 7. No griefing.**
No exceptions. We are PvE ONLY! This means no interfering with other players in negative ways.
- 8. Cheats are not allowed in game.**
This includes the use of bugs/exploits. Please bring them to the administration's attention by creating a thread in #help_me so we can address the issue.
- 9. Do not post illegal information in any shape or form.**
This includes, but is not limited to, leaked intelligence and state secrets.

In-game Rules

- **Intentional destruction of containers in important loot areas may be treated as griefing.**
This includes military bases, pawn stores, police stations, etc.
- **If you find a game-breaking exploit, please let us know.**
If you are the recipient of bugged items, create a thread in #help_me so an admin can assist you.
- **Please keep your voice chat concise!**
It can be challenging to hear over one another in populated channels.
- **No political nonsense.**
Keep the conversation away from politics.
- **Before repeating common questions, check out FAQs and Common Controls on our Wiki:**
[FAQ and Common Controls](#)
- **Limit server and mod suggestions to #mod_suggestions only.**
To keep discussions organized, please post any server or mod suggestions in the designated channel.
